*Will Chandler to be Featured in
Energy Upgrade California Commercial*

Will Chandler, owner and founder of Chandler Building & Development and ecoProach will be featured in an upcoming commercial for Energy Upgrade California and the County of Santa Clara's Energy Assessment Rebate Program.

This program was created to provide homeowner's a rebate of 80% towards receiving a home energy assessment from an Energy Upgrade California (EUC) participating contractor. After the initial assessment, EUC is still offering rebates up to \$4000 to perform energy upgrades to green your home, create a healthy place for your family, and start saving money.

Stay tuned for more information and to see the final product!
